Recordings of webinars will be posted 2 to 3 days after each webinar and the results from the polling questions will also be posted on this site.

We also would like your continued involvement in this series of webinars and follow-up discussions! At the same link shown above, you can establish a user account and participate in follow-up discussions in a blog format. You can also provide input into future webinar topics. Click on the *Webinars* link (right hand edge) to set up your user account and provide some feedback.

Reminder, Tomorrow, June 10, 9 AM Pacific. The link to webinar is the same.

Operating in the face of uncertain credit

A focus on how the larger credit environment is impacting ag credit.
