

Operational Management

"Plans are just wishful thinking unless they immediately degenerate into hard work."

Peter Drucker

Risk Navigator SRM

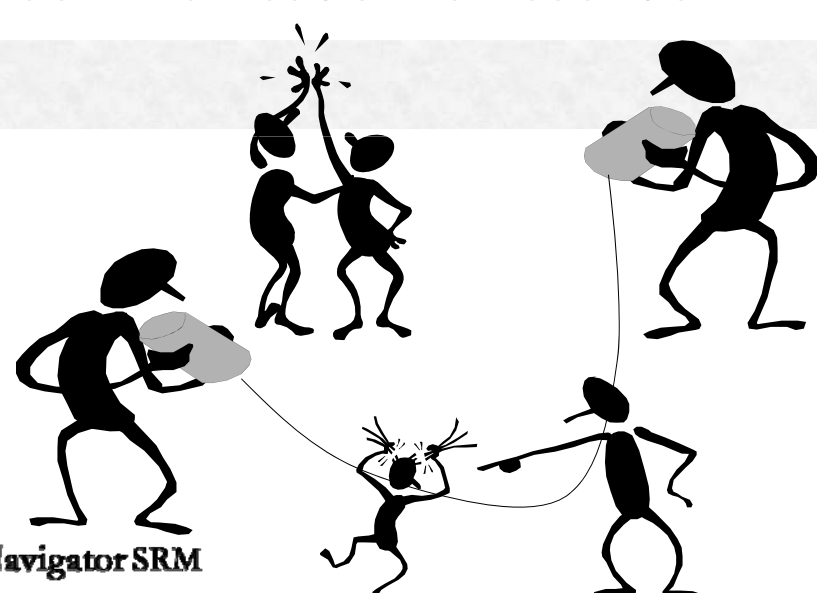

Operational Management

- Putting the strategic plan into *action* on the day-to-day basis necessary. . .
- Following the *tactics* outlined in the tactical level describing *how* to go about the process of. . .
- Achieving the *strategic goals* within the constraints of the *financial health* and *risk preferences* outlined at the strategic level

Do It Yourself

Insanity

Doing things the same way
and...
expecting a different
result!!

Replan

- As we move toward our goals, we should review our chosen route
- Make sure we are still "on course"
